MET International Fall 2018 Application Instructions

Greetings from Boston! The Fall 2018 application binders are ready. Links to the binders are listed at the bottom of this message.

As a reminder, our IELTS minimum has been adjusted to 6.5 overall, with no sub score below 6.5. This change aligns our admission requirements with Metropolitan College. There is no change to the TOEFL minimum.

Your MET International program administrator requests the following as the application deadline, **April 15, 2018**, approaches:

- Estimated number of applicants (preferably shared by the first week of March)
- Spreadsheet with each applicant's name, the program to which he/she is applying, and the semester(s) he/she plans to attend.

The application binder is designed to be forwarded in it's entirety. Please provide each applicant with the appropriate:

- Application binder

- Estimated program cost
- Learning Agreement (Degree Path only)

Upon completion, the student should return a printed copy of the online application and all supporting documents to your office, to be sent to MET International by courier service. Our address is:

MET International
808 Commonwealth Avenue, Suite 270
Boston, MA 02215
USA

What is the Learning Agreement?

Degree Pathway applicants will submit a **Learning Agreement**. This should be signed by the student and your institution (academic advisor or international office staff), to be sent with the initial application documents. Our hope is that the Learning Agreement will help applicants understand our degree course requirements and also clarify their responsibilities in the program.

Some partners already have a Learning Agreement from MET International; keep using the version that is specific to your school. Otherwise, please start distributing the general Learning Agreement at the bottom of this email.

A note on estimated expenses:

As in the previous application cycle, we have separated the price sheet from the binder. Many of our partners fully or partially sponsor their students and in an effort to streamline this process we are leaving the price document in your hands. Share our document directly with your students, as applicable.

The tuition, fees, and living expenses for 2018-2019 are not yet confirmed. We will be in touch closer to the application deadline with actual costs.

Please reach out to us if you have any questions or concerns. We look forward to welcoming your students to Boston!

Best regards,
MET International
